*Dear Peter*

### THANK YOU

Just a short note to say thank you for the tremendous help you gave me in preparing and polishing my speech for the European elections last year. The help you gave me was extremely valuable and definitely played a huge role in my moving from position 5 to position 2.

I can heartily recommend anybody, particularly in the political field, to you who need to polish their public speaking skills and delivery. Please feel free to use me as a reference in any way required and I wish you all the very best in the future and will of course come back to you the next time I have an important speech to deliver.

Many thanks again, all the very best

With all good wishes,

**NIRJ DEVA**
